379 Humphreys Creek Rd.
Tuscumbia, MO

Our Competitive Trail Challenge(CTC) is a casual competitive trail ride that is anywhere from 6-10 miles long averaging 6-10 judged obstacles along the way. Obstacles are mostly natural and each has its own judge. Obstacles can consist of crossing water, crossing bridges, opening gates, and maneuvering steep hills to opening mailboxes or putting on a slicker and many more "real" things you may encounter on trail. This is not a speed or timed event. Anyone that trail rides can do these casual competitions!! The ride will take about 2 to 2 ½ hours for each group to complete. Over \$1000 in prizes awarded.
