19. Ranch Classes This class shows the horse's ability to move at a working speed with a rider. Horses will be shown at three gaits - walk, trot and lope - in each direction of the arena. Horses also will be asked to change directions while on the rail, stop and back. A horse will be given credit for traveling with his head held in a normal position, ears alert and moving at a natural speed for the gait requested. Credit also will be given for making a smooth transition between the gaits, for keeping the correct lead and for maintaining the gait until the judge asks for a change. A rider must show his horse with only one hand on the reins, unless the horse is 5 years old or younger and is being shown in a snaffle bit. Fancy tack and fancy outfits not required for this class.
